

**On April 29, 2021**, we kindly invite you to participate in the International Scientific Conference

# **Engineering and Educational Technologies 2021: Synergy between Higher Education and Business in the Context of the European Green Strategy.**

The conference is organized by Kauno technikos kolegija / University of Applied Engineering Sciences together with social partners. The conference will be held remotely using the Zoom platform.

## **CONFERENCE THEMATIC AREAS:**

- » Engineering and educational technologies for a sustainable future: ideas, realities, perspectives.
- » Application of environmentally friendly technologies and equipment in the modern construction and road construction sector.
- » Possibilities of using renewable energy in electrical engineering science and practice.
- » Green innovations in the field of transport and mechanical engineering.
- » Innovations in the electronics sector in science and industry.
- » Development of professional and general competencies through the implementation of the European Green Course.

» » » » Registration is open until **31 March, 2021**.

» » » » **REGISTRATION TO THE CONFERENCE:**

<https://forms.gle/mGcamyEXn3zMZYdq6>

## **» » IMPORTANT INFORMATION ON PRESENTATIONS**

**During the conference not only oral but also poster presentations can be presented.**

The research articles based on the conference proceedings may be published in the peer-reviewed journal "Engineering and Educational Technology" 2021/1. The journal is listed on the Index Copernicus Journals Master List.

## **» » » » IMPORTANT DATES**

Articles and abstracts of the conference proceedings should be sent to the e-mail address [giedre.adomaviciene@edu.ktk.lt](mailto:giedre.adomaviciene@edu.ktk.lt) until **10 June, 2021**.

Requirements for articles: <http://www.ktk.lt/apie-ktk/inzinerines-ir-edukacines-technologijos/> by clicking on the "Information for authors" link.

Information is provided by dr. Giedrė Adomavičienė, e-mail: [giedre.adomaviciene@edu.ktk.lt](mailto:giedre.adomaviciene@edu.ktk.lt)
